Thank you. You will get 2.5 hours for today and 2.5 for tomorrow if you could only attend one day.

Subject: 22nd Annual NERPCA Conference Question About Attendance and TCHs

Good Afternoon,

I have a quick question about attendance and TCH's for the 22nd Annual NERPCA Conference.

I attended the first webinar held this morning (10/28/20) and I noticed that on one of the opening slides it mentioned that attendance was required for both days in order to receive the 5 TCHs for attending the conference.

If I attend just one webinar (the one I attended this morning) and not the second webinar scheduled for tomorrow (10/29/20), will I receive 2.5 TCHs or do I have to attend both to receive any TCHs?

I enjoyed the webinar by the way and it was well done.

Best,
Mike
